About Site

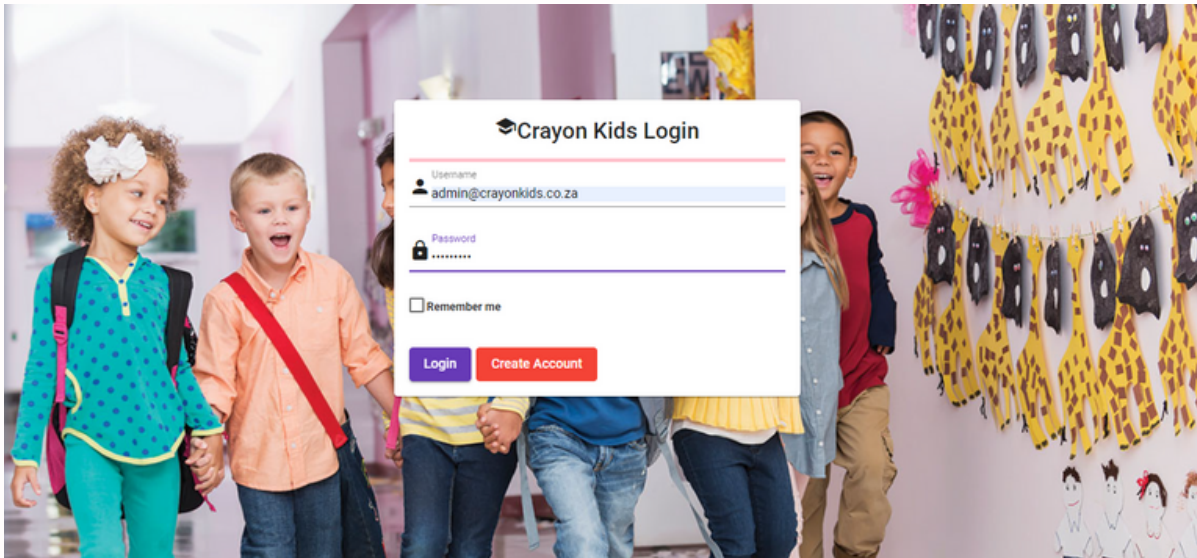

This is the new and improved Crayon Kids website that not only enables parents of potential students to view and communicate with the academy it also allows current parents of students to have a more hands-on experience with the education of their children. This new site now allows parents to have real-time feedback on school events and their child's progress.

This site now integrates an admin system that allows the school's administration to register parents, enroll students, register new employees, capture reports and manage internal student affairs. Not only that, the system now enables a better line of communication with school suppliers and parents.

Logging In

The screen below shows how the user can log into the system by either creating a new account and then signing in, or if the user already has an account they can just enter their username which is the email address they registered with as well as their password.

Side Navigation

The new side navigation allows the user to collapse the menu to see all the options available to them such as students, school and reports. This is how the user will be navigating the entire system
